Fuel collaboration!

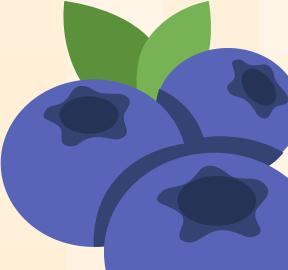

Employees can join organization-specific groups on EatSure's dedicated corporate page to collectively order meals for meetings, team lunches, or events. Flexible payment options, such as split billing or individual payments, ensure seamless group ordering. The more you order together, the bigger the savings!

Meal Preordering with Workplace Delivery Slots

Pre-schedule your lunch or snack with EatSure's meal preordering feature. Employees can choose delivery slots tailored to their workflow, ensuring fresh, timely meals right at their desks, whether it's for a quick bite or a scheduled break.

Never miss a meal,
even on busy
workdays!

CORPORATE SUBSCRIPTION PLANS WITH HEALTH-FOCUSED MENUS

Boost productivity with healthier choices!

Offer employees curated, health-conscious meal plans tailored to your company's wellness goals. From energy-boosting options to special dietary preferences, EatSure's corporate subscription plans deliver delicious, nutritious meals that fuel success and keep your team in top shape.

"Healthy Office" Challenge with Gamified Rewards

Make wellness fun and rewarding!

Encourage healthy eating through EatSure's corporate wellness challenge. Teams earn points for ordering healthy meals, with a leaderboard tracking progress.

Get Office Meal Insights and Feedback

Elevate the dining experience!

Gain valuable insights into your team's meal preferences and satisfaction. With detailed feedback from employees, HR and managers can fine-tune meal options, ensuring every bite counts toward a happier, healthier workforce.

MAKE LUNCH BREAKS SMARTER, FASTER, AND HEALTHIER WITH EATSURE VENDING!

Office Pantry Meets EatSure Vending: Fast, Fresh, and On-the-Go!

How it works:

- **Scan & Go:** Simply scan a QR code or use your corporate ID for easy payment and instant access.
- **Pre-Order:** Use the EatSure app extension to reserve your meal and pick it up whenever you're ready.
- **Real-time Updates:** Get live notifications on what's available in the machine!

For Employers:

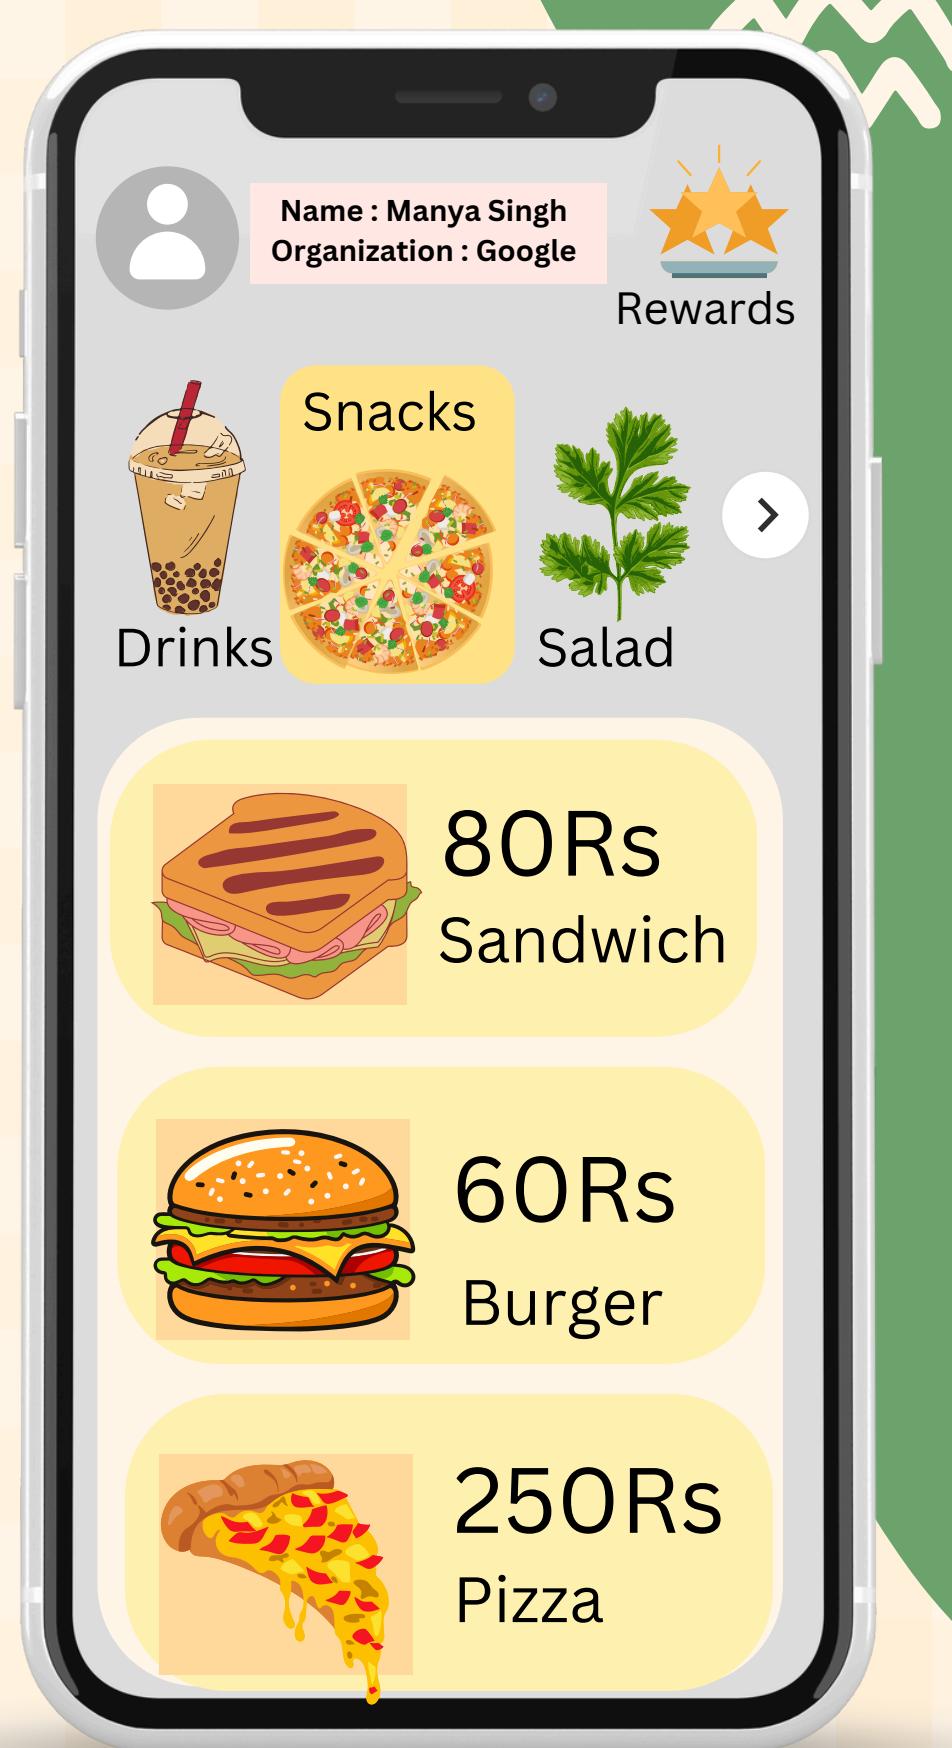

A quick, nutritious meal option at work means more productive employees and fewer long breaks. Plus, with meal subsidies, enjoy potential tax benefits for promoting employee wellness.

CORPORATE CANTEEN WITH VIRTUAL ORDERING

Seamless dining, just a click away!

Transform your corporate cafeteria with EatSure's virtual ordering system. Employees can pre-order meals through the app and pick them up from an EatSure-branded counter in the office canteen. Say goodbye to long lunch lines and hello to a faster, more convenient dining experience that fits right into the workday!

EXCLUSIVE CORPORATE PERKS VIA EATSURE PREMIUM

Unlock the VIP dining experience!

With EatSure Premium, your employees get access to exclusive perks like free deliveries during office hours, priority meal service, and monthly meal vouchers. Elevate office dining with premium benefits that make every meal feel like a special occasion while boosting employee satisfaction and engagement.
